

DEPARTMENT OF REHABILITATION SERVICES (DORS)

LOGO DESIGN CONTEST

Help Design Our Logo

The Department of Rehabilitation Services (**DORS**) within the State of Connecticut is a newly formed state agency that assists people with disabilities to live, learn, and work with dignity in the State of Connecticut. It consists of several programs that assist residents with the various challenges they face.

As we come together as an agency we are looking to find a recognizable logo that represents who we are and what we do. We are asking all interested people within the State of Connecticut to submit their ideas of a logo for our new agency. The winning submission will be honored at a reception unveiling our new look!

Who are we?

Under the **DORS** umbrella you will find agencies with various goals geared towards helping people under the Live Learn and Work mission. For more information please visit our website at www.ct.gov/dors
